Mary Anderson (PR Chairwoman))asked that members pick up a flyer, if they have a community board that will allow us to post our flyer.

Bobbie Pastor mentioned that the audio files for each meeting are available on request. Just email Bobbie.

Mac Brunch will be held at the Prescott Junction, in the back room, 10 a.m. The memo is always posted on our Facebook page and Bobbie sends out a reminder email.

Our first presenter was Jim Romaine. Jim talked about how to get Apple Support, for your Apple devices. You can download the Apple Support app from the iOS App Store.

Our next presenter was Art Gorski. Art did a world wind tour of all the new hardware that came out this fall. iPhone Xs, iPhone Xr, Mac Mini, MacBook Air, iPad Pro, and iPad (with pencil).

The new iPad Pro is made for the professional artist in mind. Most people don't need all the features it has. Art said to save your money, unless you really need it.

Rumor has it, that Apple is trying to convert everybody over to using the iPad instead of a computer. That is something that is way in the future for most Apple users, however.

We took questions from the floor. The question was asked about the tech support at the Library. It is still going on every Tuesday at 10 a.m. in the computer room.

Another question was asked about charging in public free places, like the airport. You can be hacked, if you use their charger.

Next month's topic will be the Accessibilities features on the Mac.

Door Prize Drawings: Jim Reid won the iTunes gift card and Ginger Carlson won the Staples gift card. Sharon Walsh won the Take Control book.

Meeting adjourned at 12 noon.
