happy to be your friend for this purpose.

- General PMUG meetings will continue to be held online for the foreseeable future. Yavapai College is gradually opening up their campus. It is likely that we will be able to meet in person sometime in the not too distant future. However, special topic SIGs will continue to meet via Zoom indefinitely.

5. Upcoming PMUG Zoom meetings include:

Special Topics SIG: Monday, October 25, from 1 to 3 PM via Zoom. Members will be sent an email invitation to register. The topic for this meeting will be Preview (an app that is part of MacOS) versus Adobe Acrobat. John Carter will be the presenter. The topic is a change in schedule. Frank Croft's SIG talk on Apple Watch has been moved to November.

Meet, Eat, and Talk Apple (META SIG or Mac Brunch) will be held at 10 a.m. on Wednesday, October 20 at the Prescott Junction restaurant on Sheldon Street. Come and discuss all things Apple or whatever is on your mind.

6. Short Topic – iOS tips and tricks - Jim Romaine reviewed some features of the photos app and the magnifier included in control center (or able to be activated in control center from the settings page). If you can never find your favorite picture quickly, Jim illustrated how to use the search function. You can search for keywords (dogs, flowers, cars, etc.) to quickly find pictures that have images of your search terms. Try it. Likewise, the magnifier is a life saver when trying to read small or indistinct print.
7. Long Topic – Find My - Frank Croft reviewed how to use the Find My function to find people, devices, and items (associated with Air Tags) on various Apple platforms. A copy of his presentation is available on the PMUG website. Frank slides provide very specific details about how to use Find My on various devices, along with references that have even more extensive instruction for use with iPhones, iPads, Macs, etc.
8. Next PMUG general meeting: The next PMUG general meeting will be on Saturday, November 13, 2021 at 10 AM by Zoom. The short topic will be new Mac hardware and the long topic will be MacOS Monterey.
9. The door prize winners were as follows: Staples gift card (Harry Morel), Take Control book (Pam Wickstrom), and OLLI \$10 voucher (Sondra Bradshaw).
